LETTER FROM THE PRINCIPAL

Dear Families,

Thanks to all of you that came out for Bingo night. Most importantly, we've taught the children a game they can play for a lifetime, especially the tail end (ha ha). And a very special thanks to all the volunteers, especially Cherie Piland for organizing the event and James Griffin for being our well dressed Bingo caller.

Warm regards,

Patrick Eagle

PE WITH COACH BRE

Jump rope unit is officially over but practice makes perfect!

Jump rope unit will be back next year so please encourage your student to keep trying. By 6th grade the goal is 1 minute of jump without error. Can you spot your child's name?

This week we started a favorite of mine and the current fastest growing game in the nation, Pickleball!-

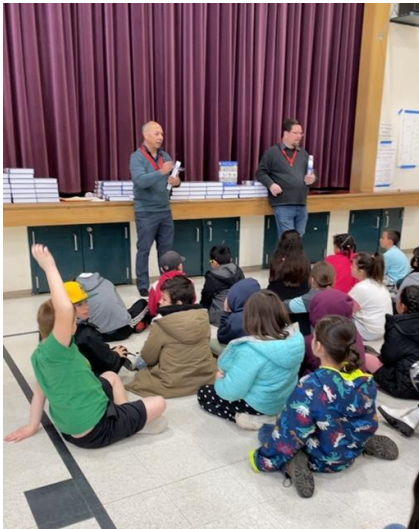

Happen to have any old pickleball paddles you'd like to donate? I'd love a few extras of the real paddles. If you have one or some you'd like to donate please drop off in the office. Thanks in advance!
