LETTER FROM THE PRINCIPAL

Dear Families,

I hope you all have a wonderful Spring Break next week. When the students return, one of our focuses will be preparing for the state testing (SBAC) for grades 3rd - 6th. There is a parent workshop via Zoom on 3/29. We also have many other fun events coming up that families can participate in. The first one being the Drive In Movie on 3/31. Please review the calendar below. Enjoy next week!

Warm regards,
Patrick Eagle

MORNING TRAFFIC IN THE PARKING LOT

Please remember to keep things moving in the parking lot in the morning. After your child is safely out of the car, please continue forward. I've been getting reports of cars stopping and having conversations while other cars are trying to drive around. We would like morning drop off to be efficient and safe for everyone. Thank you.

A 'NOTE' FROM THE MUSIC TEACHER

Please help students to remember their instruments on their music days and to practice on the days in between. Students are more successful learners when they have their instruments and when they practice regularly. We only have about 4-5 weeks left until our final performances in late April/early May! Details about performances will be sent out in early April. Don't miss it! The Petaluma group "Play Marimba!" will be performing this Saturday, March 18 from 1:30-2:00 at the Green Music Center as part of their family day celebration. The event is free, but come a little early to get a seat. There will be many festive activities.
