LETTER FROM THE PRINCIPAL

Dear Families,

It was busy at San Miguel this week with many activities occurring. We had the band concert, a performance of The Lion King by the Windsor Performing Arts Academy, and Open House. It was really great to see so many families going in and out of the classrooms, socializing and having a good time. Thanks for your participation.

*Warm regards,
Patrick Eagle*

A 'NOTE' FROM THE MUSIC TEACHER

Bravo to all San Miguel 4th-6th grade musicians for their fabulous music performance on Tuesday, May 16! And many thanks to the students, teachers, staff, and family who came to the assembly to cheer us on. We love the support! That wraps up music classes for this school year, but please be sure to sign up all interested 4th, 5th, or 6th graders for music classes in August. Stay tuned for registration info and be aware that some classes fill up quickly. In the meantime, there are many fun summer music camps being offered in Sonoma County. Email Mrs. Kaufman for suggestions!

Rehearsals for the 6th-grade promotion song started on Wednesday, May 17. Any interested 6th graders are welcome to sing or play an instrument. Participation is voluntary. Parents, please help participating 6th graders to remember their instrument on the following dates if they are playing: Tues., May 23; Thurs., May 25; Tues.,

May 30; and Wed., May 31. Questions?

COACH BRE ON PE

Wrapped up the last week of PE on Wednesday! It's always fun and games in the gym but this week we leveled up on the fun! Tug-of-war, the green machine RC tag, and Hungry Hungry Hippos!

It's been 5 years now that I've been 'Coach Bre' and I'm thankful for the opportunity I've had to work with your kids. Look at those smiles below- can't not love your job when you see those faces! Remind your kids of their homework to get outside this summer and exercise.

Movement is medicine and my goal as a PE teacher is to help kids find what they love to do that gets their heart rate up. We learned and did so much this year so I hope they found joy in movement and perhaps a new sport or skill they want to grow. Have a fantastic summer!

-Coach Bre
