STUDENTS MAY CHECK OUT LIBRARY BOOKS

We are so excited to have students check out books! Here are the steps needed to check out books from San Miguel library:

1) Browse the online library catalog, click here:

<https://search.follettsoftware.com/metasearch/ui/24106>

2) Click on the Search Options button  or type in a keyword in the search bar.

You can look for books by A.R. level for example 0.1 - 2.5 (do not forget the decimal point), grade level etc., via the search option. The 'most recent' tab on the top right corner leads to the newest books added to the library.

Write down the name of the book and the call number (author's name for fiction and number for non-fiction) you want to check out plus an optional book if we can not get your first choice.

3) Once your student has chosen a book(s), go to <https://forms.gle/njQyHENRopSXdxS46> and sign up to have the book checked out.

The book will be in your materials pick up on the next Wednesday you are assigned to pick up.

Please note: only students who are in good library standing will be able to check out books. Notices have been sent to parents/guardians with overdue books. Any questions can be directed to vcrary@mwusd.org
