LETTER FROM THE PRINCIPAL

Dear Families,

The students and staff are getting into the groove of school for sure, however with the large break and changes of policies and procedures, it has taken some time.

I'd like to thank the twelve 6th graders who hosted the Rules Round up. These brave students were placed at 6 different stations around the school and explained rules and procedures to the younger students. Not only a great leadership opportunity for them, but nice for their younger peers to hear it from another student. Way to go 6th graders!

Warm regards,
Patrick Eagle
