LETTER FROM THE PRINCIPAL

Dear Families,

Next Friday is Conference Day. All teachers have reached out to parents in regards to scheduling a conference via Zoom. If you haven't heard from them, please reach out.

This is a great opportunity for you to connect with your child's teacher and ask any questions you may have. Things are going well at San Miguel, everybody is in a routine and the students are learning. Have a wonderful weekend.

*Warm regards,
Patrick Eagle*

DATA CONFIRMATION

Data Confirmation is the process we use at the beginning of the year to gather all of your student's important information and create emergency cards. If you have completed this process, thank you! If you haven't finished yet, now is the time. Please use the following link: [Data Confirmation Instructions for Parents](#)

PTO UPDATE

Look for a flyer next week with information about our Enrich Our School (EOS) fundraiser. We encourage parent volunteers and are going to reach out soon about forming committees so parents can help. Volunteers will need to be vaccinated to enter campus. It's a great way to get involved, show support for your children and their school, and be a part of such an amazing community.

If you would like to volunteer for an event, please reach out to Cherie Piland, cpiland@mwusd.org

PARENTS NEEDED

I also need a volunteer or two to help with the Running Club. It would consist of helping students scan their cards on running day which is Tuesdays from 12:15-1:15. Again, email me if you are able to help. peagle@mwusd.org

ABSENCE INFORMATION

Please call in your student's absence each day that they are out of school. Dial (707) 524-2960 then press 3 for attendance. Be sure to include the reason for the absence. Thank you!

CONFERENCE DAY IS COMING UP

Conference day is Friday 10/8. Please contact your child's teacher about scheduling a conference over Zoom if you haven't already.

REMINDER ABOUT SCHOOL LUNCHES

School lunches have become much more popular with students this year, which is great! Lunch count is taken by the teachers and given to the kitchen staff for preparation. Students must order their lunch in the morning so we have the correct count. Students who decide later in the morning they want a lunch, and then take one at lunch time without ordering it, throws off the count. The last few students going through the line then don't have a lunch waiting for them. Thank you in advance for your help with this.

A 'NOTE' FROM THE MUSIC TEACHER

Please email me if you are interested in joining the Mark West Education Foundation Board. Our next meeting is Monday at 6:00 pm via zoom.
