## LETTER FROM THE PRINCIPAL

Dear Families,

*It has been such a pleasure working with the San Miguel community these last few weeks. Thanks to you all for your support! Mr. Eagle came by campus yesterday to visit the students and staff. He is doing really well and the students were so excited to see him!*

*This week our 6th graders impressed us with their amazing Ancient Egypt projects that involved researching a topic of their choice. Be sure to check out the pictures on the next page. They are really proud of their hard work and so are we!*

*We here at San Miguel want to wish your families a wonderful winter break and happy holidays! May you enjoy some quality time with your loved ones. A friendly reminder that school resumes on Tuesday, January 4th.*

## A 'NOTE' FROM THE MUSIC TEACHER

Please help your child practice music over the holiday break!

Ask them to play for you. Sing along with them! Ask them to teach you how to play or sing something. Make it fun! And be sure to ask them about their Practice BINGO sheet they received in class this week! Ring in the new year with music!

Make Music, Eat Polenta! Save the date for our Polenta Feed fundraiser on Saturday, March 12! We are also looking for volunteers as well as donations for our raffle and silent auction for this event. Do you have connections to a business that can donate? Can you lend a hand at the event? Please let us know if you can help by emailing Shannon or Jason at [mwef@mwusd.org](mailto:mwef@mwusd.org). Help us keep music education alive in the Mark West School District!

## COACH BRE'S LATEST PE UNIT

The jump rope unit is off to a fantastic start! I'm impressed by the K-1st graders for giving their best effort at a new and challenging skill. Next week we will do a San Miguel favorite, Chinese Jump Rope. If your child does not have a jump rope and you would like one I have some extras available. Email [bbush@mwusd.org](mailto:bbush@mwusd.org) and I'll be sure to get one to your child. Each class in this unit will have a 'jump test.'

Kinder goal- 10 consecutive jumps

1st grade goal- 20 consecutive jumps

2nd-6th grade goal- 1 minute without error

Complete the goal and join my Jump Club! Keep your eye out for the Jump Club Poster on campus. Jump on!
