LETTER FROM THE PRINCIPAL

Dear Families,

With the mask mandate changing to optional, we are sure to have some students and staff wearing masks, and some that are not. I told all students that we must be respectful of choice, and that no one is to be criticized for their personal choice. Please reiterate this message at home. Thanks for your cooperation.

Warm regards,

Patrick Eagle

A NOTE FROM THE MUSIC TEACHER

Thank you to all the parents, family, and friends who came out to support the music students at their Winter Concert on February 24. It was an absolute delight to hear live music once again! Thank you for encouraging students to practice and to enjoy playing music. 4th-6th grade music classes will continue until early May, and yes, we will have at least one more performance before the end of the year! (Details will be forthcoming.) Please help students to remember their instruments (and books if applicable) on their music class days. Ask them to show you the music they are working on. Also, thank you to everyone who purchased meal or raffle tickets for our Polenta Feed Drive-Thru event this Saturday, March 12! Don't forget to pick up your meal and/or possible raffle wins at Cardinal Newman between 4-6pm on Saturday. See you there!

PE WITH COACH BRE

This week we started our volleyball unit. We used balloons to give us a longer reaction time to the ball and really work on the proper form for a bump. Our warm up activity was one that required lots of communication & teamwork.

There is no shortage of fun in PE!
