LETTER FROM THE PRINCIPAL

Dear Families,

There has been much happening across the classrooms including field trips, landmarks, ecosystems, and ABC bootcamp. This week we had a lockdown drill, so now we've had Earthquake, Lockdown and Fire drills. We'll continue having one a month throughout the school year. Although these drills are not always fun (and probably a little scary for some), they are important to have practiced and required by Ed code.

*Warm regards,
Patrick Eagle*

DISTRICT WELLNESS COMMITTEE MEMBERS NEEDED

Hello Parents, the Mark West School District is actively looking for parental involvement in serving on our District Wellness Committee. The Wellness committee meets 2-3 times a year for 1 hour each meeting via zoom. The Wellness committee helps to promote the belief that foods and beverages available to students at district schools should support the health curriculum and promote optimal health, taking into consideration the needs of students with special dietary needs. We need your help to continue this goal. If you would like to serve on the District Wellness Committee please reach out to

Kelly Sansone (ksansone@mwusd.org) to join or with any questions.

DATA CONFIRMATION

Data Confirmation closes **TODAY**, Sept. 30th.

Please complete it if you have not already done so. Data Confirmation needs to be completed on a computer and not a cellular phone. We have computers available at the District Office for your use. A 'NOTE' FROM THE MUSIC TEACHER

Do you appreciate music and arts education being offered at San Miguel? Help us to keep these educational opportunities going by supporting the Mark West Education Foundation - a parent group dedicated to making music and arts education available to students in the Mark West District. We would love to grow our music and arts offerings at all our schools and could use your ideas and help to make it happen! Please join us at our next board meeting on Monday, October 3rd at 6:00pm via Zoom:
