### WALK A THON UPDATE

We are hosting our first ever walk a thon on May 5. We are so excited to bring health, wellness and community into our fundraising efforts. Our Spring event is in preparation for our main walk a thon which will take place in Fall 2023. To make these events happen we need parent and community help. If you would like to get involved and be part of the first annual walk a thon please email Mika Holman at [mika.holman@gmail.com](mailto:mika.holman@gmail.com) to sign up. ### A 'NOTE' FROM THE MUSIC TEACHER

Thank you so much to everyone who came out to support the music students at their annual District Winter Concert on Thursday, February 23. The students did a phenomenal job! Next week, the 4th-6th grade music students will have music classes on their regular days, but they will NOT need their regular instruments. Instead, we will be having a post-concert celebration of sorts with a variety of percussion instruments. It should be fun! Also, the before-school violin students will NOT come to class before school next week. Instead, they will join in with another class later in the day, as the percussion activities work best with a larger number of students. I will send out details to those students specifically.

Music classes will resume as normal in March, so please help students to remember their instruments on their music day following next week's celebration. Music classes will continue until early May. There will be a few more music performances near the end of the year. Details will be sent home in early April. Thank you again for your continued support of the music program!
