HALLOWEEN COSTUME GUIDELINES

Although we are having a parade, Tuesday, October 31st, is a regular school day. This means that your child also needs to be able to participate in regular school activities and their costume should not prevent that. Additionally, costumes should not include weapons, blood, or gore.

KINDERGARTEN PLAYGROUND USE

The Kindergarten playground is off limits after school. However, the playground on the big yard is available after school lets out. If you have any questions, please contact Mr. Eagle. Thank you.

PARENT WORKSHOP COMING UP

There will be a parent workshop on Social Emotional Learning (SEL) focusing on Mindfulness and Coping strategies. It will be held via zoom on Wednesday 11/8 at 6 pm. [Click here](#) for the zoom link and more information.

A 'NOTE' FROM THE MUSIC TEACHER

Mark your calendar! The next meeting of the Mark West Education Foundation will be on Monday, November 6th at 4:30pm at the District Office Learning Center. Parents and community members are welcome to attend to support music and arts education in the Mark West District. We are also seeking new members to fill several open positions on the MWEF board.
