

Dear Community Partner,

The San Miguel Elementary PTO is hosting our second annual Walk a thon on October 18th, 2024. This is our largest fundraiser for the school year. The money goes into our annual budget each year and provides a variety of enriching programs at our school. With the money raised in 2023 we were able to fund: PE for all students, art class, continued support to our teachers in the classroom, we added 3 beautiful murals on campus, funded multiple fun and engaging assemblies for all students, hosted community events, added a Gaga Ball pit on the playground, tricycles in the kindergarten area and so much more! If you were a sponsor in 2023, we THANK YOU! If you would like to help us continue our mission to build community, contribute to the health and wellness of students, and to offer opportunities to children who may not otherwise receive them, we invite you to be part of our very fun community event. If this is your first year, we welcome you as a valued sponsor to our walk a thon.

The walk a thon will include all students and will welcome parents as well. During the event, students will walk the course with the goal of completing as many laps as they can. They will earn money for their school, move their body and have fun in the process. We invite you to join in the fun through our sponsorship program. We have multiple levels of participation to choose from and we hope you find one that best aligns with your budget. For your tax deductible donation you will receive the following:
