LETTER FROM THE PRINCIPAL

Dear Families,

We are gearing up for the upcoming SBAC (state) testing starting in mid April. When it gets closer, I'll be sending reminders about proper sleep and getting a good breakfast. It is important that we as a school put our best foot forward in completing these tests. I hope to see you at the family Bingo night tonight. Bring cash and lots of luck!

Warm regards,

Patrick Eagle

Attendance this week: 95%

(down from 96%)

A 'NOTE' FROM THE MUSIC TEACHER

Please help 4th-6th grade music students remember their instruments and their books and/or folders on their music day each week. Students may only forget their instrument twice in a trimester. If they forget a third time, I will need a parent's note or email if the student wants to continue to be in the class. This policy is to help students to be successful, as every instrument is challenging to learn, and it is very difficult, if not impossible, to learn without the instrument in their hands. Some students need help to remember it each week. Here is an idea: set a phone alarm to go off before you walk out the door, and set it to play the sound of the student's instrument!

4th-6th grade music students will have one or two performances in May, depending on which class they are in. Please keep an eye out for a flyer coming home soon with details! As always, help students remember to practice frequently. Ask them to play or sing you a song. Better yet, ask them to teach YOU how to play or sing a song. Teaching someone else can really help to reinforce what they are learning. Happy playing and singing!
